

# TERMS OF SERVICE: TROPICAL NETWORK

**Last Updated:** 4/6/2026

Welcome to **Tropical Network** (the "Network," "we," "us," or "our"). By accessing or using our website (<https://tropicalnetwork.net/>), Discord servers, game servers (including Minecraft and FiveM), or our custom CAD/MDT systems, you agree to comply with and be bound by the following Terms of Service.

If you do not agree to these terms, please do not use our services.

---

## 1. ACCEPTANCE OF TERMS

By participating in our community or purchasing from our store, you confirm that you are at least 13 years of age (or the minimum age required in your country to use services like Discord). If you are under 18, you represent that you have the consent of a parent or legal guardian.

## 2. USER CONDUCT & RULES

To maintain a "Premium Gaming Community," all users must adhere to our community standards. Prohibited behavior includes, but is not limited to:

- **Cheating & Exploiting:** Using third-party software, scripts, or glitches to gain an unfair advantage in Minecraft, FiveM, or any other service.
- **Toxicity & Harassment:** Bullying, hate speech, doxing, or any form of discrimination against other players or staff.
- **Impersonation:** Pretending to be a staff member, administrator, or another user.
- **Disruption:** Intentionally lagging servers, spamming, or advertising other networks/communities.
- **Real-World Trading (RWT):** Attempting to sell in-game items, currency, or accounts for real-world currency outside of our official store.

## 3. VIRTUAL GOODS & STORE POLICY

Tropical Network offers digital items, ranks, and currency through our official store.

- **No Ownership:** All virtual items remain the property of Tropical Network. You are purchasing a limited, non-transferable license to use these items within our services.
- **No Refunds:** Due to the nature of digital goods, all purchases are final. Attempting to chargeback or dispute a payment through PayPal, Stripe, or your bank will result in an immediate and permanent ban from all Tropical Network services.
- **Service Changes:** We reserve the right to change, modify, or remove virtual items or ranks at any time for the sake of server balance or updates.

## 4. ROLEPLAY & CAD SYSTEM (FiveM)

- **Tropical Roleplay:** Users must follow the specific Roleplay Rules provided in our Discord/Forums. Failure to roleplay realistically (FailRP) may result in removal from the server.
- **TropicalCad:** Access to our custom CAD/MDT system is a privilege. Misuse of the system (e.g., deleting records without authorization, entering troll data) will lead to immediate revocation of access.

## 5. STAFF & DISCIPLINARY ACTIONS

The Tropical Network staff team has the final say in all disputes. We reserve the right to:

- Ban, kick, or mute any user at our sole discretion, with or without notice.
- Reset player data (inventories, balances, or stats) if required for technical reasons or due to rule violations.

## 6. INTELLECTUAL PROPERTY

All custom scripts, builds, logos, and the TropicalCad system are the intellectual property of Tropical Network. You may not decompile, redistribute, or claim ownership of any of our assets.

## 7. LIMITATION OF LIABILITY

Tropical Network provides its services on an **"as-is"** and **"as-available"** basis. We do not guarantee that the servers will be online 24/7. We are not responsible for:

- Loss of in-game items due to bugs, glitches, or server crashes.
- Actions taken by third-party platforms (e.g., Discord, FiveM/Cfx.re, Mojang).
- Personal data shared by users with other players.

## 8. PRIVACY

Your use of our services is also governed by our Privacy Policy. We collect minimal data (such as IP addresses, Discord IDs, and UUIDs) necessary for server security and account management.

## 9. MODIFICATIONS TO TERMS

Tropical Network reserves the right to update these terms at any time. We will notify the community of major changes via our Discord server. Continued use of our services after changes constitutes acceptance of the new terms.
